Why not mix business with pleasure? The tops from four great herds are selling in the VACATIONLAND SHORTHORN SALE. Here are cattle of thoroughly modern type ... thick and blocky, yet with plenty of scale; ample bone and substance, yet with no tendency toward coarseness. *Your hosts for an enjoyable day at The Hickories. Above — Don James, manager, at the front gate. Right — Dr. Wm. A. Taylor, owner, Portage, Wisconsin.*

Perhaps it is because I like the beauty of the Wisconsin countryside; perhaps it is because I like Dr. Taylor — Don James — Stan Loper and Russell Loper; or perhaps it is because I know that the Shorthorns they produce have done so well for those who have bought them ... whatever it is, the sale held at The Hickories early in June is one of my favorites each year. These men maintain practical herds, not "hobby" herds. Their cattle are produced under most healthful conditions. Each year the offering gets better. I strongly recommend a trip to this Vacationland Sale to all who appreciate excellent cattle offered in beautiful surroundings by men who are both likable and dependable.

## SOME FACTS ABOUT SHORTHORNS

*OHIO'S LEADER 2d — grand champion steer at the 1952 International Live Stock Show. Bred by House & Benroth, Washington C. H., Ohio. Fed and exhibited by Ohio State University, this Shorthorn steer made the highest dressing percentage of any champion steer in the past 23 years, 68.09%.*

Michigan State project shows Shorthorns outgain other breeds. Shorthorns gain 2.22 pounds per day, other breeds 2.07.

Purina tests show Shorthorns outgain other breeds by one-fourth pound per day.

Bar-B Ranch, Ogden, Utah, found calves sired by Shorthorn bulls weigh 50 pounds more at 10 months of age.

Shorthorns make more efficient, more economical, more profitable use of all feeds — more gain per pound of feed fed than any other beef breed.

Shorthorns have won four of the last nine grand champions at Internationals.

Shorthorn cows or cows sired by a Shorthorn bull give more milk.

At the 1952 International, the champion load of short fed steers were Shorthorns. They put on a  $2\frac{1}{2}$  pound average daily gain on corn silage and Purdue Supplement "A".

Shorthorns adjust themselves to all conditions and environments easily and quietly. Nervous cattle waste hundreds of pounds of profitable gain.

MILLHILLS FADDIST — This is the bull we purchased from Duncan Stewart of Millhills. He was selected not only because of his individuality but because his grandsires have been four of the greatest breeding bulls in Scotland during the last fifteen years .... Collynie State Express, Calrossie Randolph, Aldie Conqueror, and Collynie Mandarin. He is a half brother to Millhills Champion. One of the first calves by Millhills Faddist, Hickories Elect, was sold in the 1952 Iowa Royal for the second top price of \$2450 to Lloyd Burr, Lone Tree, Iowa. Another from the first calf crop, Hickories Elect, now heads the excellent Otto G. Johnson herd. There are two bulls and seven heifers in this sale by him.

With HICKORIES RANSOM 32d we are perpetuating the potent Ransom line as well as our greatest female line .... the Augusta Braes. The granddam was the 1944 Wisconsin State Champion. Garguston Augusta Brae was the reserve champion of the Canadian National. We sold Hickories Augusta Brae 2d to Edellyn and bought her back in their 1945 sale for \$1600 bred to Edellyn Royal Leader. Among other great cattle it was our Ransom line that produced the champion steer, Sutherland All-Steak. Hickories Ransom 32nd was grand champion at the 1950 Wisconsin State Fair. A son and three daughters of this famous sire are selling in this auction.

RINGWELL FIELD MARSHALL — is a full brother to Ringwell Prince Charles owned by T. W. Gavin, Monmouth, Illinois. The Gavins took four calves under a year old to the International Sale in 1951 and averaged \$1112. They caught the eye of everyone who attended that event. Our calves by Ringwell Field Marshall are the same kind. You'll be seeing them at prominent shows. We are selling three bulls and ten heifers sired by him. Although his pedigree is worthy of long comment, we will let his calves, and the calves of his full brother, do the talking.

HICKORIES ELECT - Here is our junior herd sire .... a bull admired by all who have seen him. We purchased him from The Hickories. When we saw the first calves by Millhills Faddist we asked for the right to select a son. From the day Hickories Elect was calved we felt that he was our future herd bull. On his dam's side he comes from the famous Hickories Augusta Brae family and is out of a granddaughter of Supreme Goldfinder. His calves are now here and they fulfill our fondest hopes. Nearly all of our sale females are bred to him.

HARVIESTOUN PRINCE PAUL — chief stock bull in Russell Loper's herd, represents a combination of the strongest blood in the famous Collynie, Calrossie and Harviestoun herds in Scotland. We bought him in the 80th Anniversary Sale at Anoka Farms where he was the top selling bull. His calves are excellent at birth and remain excellent at maturity, always the good doing kind. The five heifers we are selling in this sale are all by him. All we ask is that you look them over carefully.

BRITOMAC ARISTOCRAT – We knew it would take a mighty good bull to improve on the heifers by Harviestoun Prince Paul and we think we have such a bull in Britomac Aristocrat. The reason we went to Britomac Farms for a bull is because we like the kind of cattle Carl McKenzie produces and the practical way he handles them. Our older sale heifers are all mated to this bull and the calves will represent a combination of the blood of Scotland's most famous sires.

Lyra Rosebud 220720

CRUGGLETON ELVIN was 1st and junior champion at the Highland and 1st R.A.S.E. shows in 1949 and was used successfully in the herd. BEAUFORT LADY ROSEBUD was the dam of Cruggleton Royke sold in the Argentine 1951 for \$57,000 and was sold Perth October sale 1952 for 450 guineas. LADY ROSEBUD was sold for £400.

The eight bulls and thirty-seven females in this sale merit the serious consideration of every breeder who wishes to improve his herd – because they are from herds that have proved their ability to withstand the stiffest show ring competition – because nearly all the females are mated to herd bulls that rank among the tops of the breed – because at this sale, year after year, buyers obtain the most quality for their dollar invested.

June is a beautiful month in which to visit Wisconsin. If you drive to this sale, plan to allow enough time so that you can inspect each of the cow herds. You will find the kind that satisfy the most critical cattle judges.

**HICKORIES RANDOLPH** — twice Wisconsin state champion. Sire, Secret Consul. Former stock bull at The Hickories.

... AND HERE ARE A FEW MORE GREAT HERD BULLS whose blood helped to make the Vacationland Shorthorns among the very best to be offered anywhere this year ...

**EDELLYN ROYAL LEADER 17th** — by Edellyn Royal Leader. He made a great record in the Otto Johnson herd.

**ROTHES LEADER** — This grandson of the Perth champion, Imp. Royal Rothes, was used with success in the Otto Johnson herd.

**MINT MASTER** — One of the greatest breeding sons of Supreme Goldfinder. Former herd bull at The Hickories.

**ROYAL RANSOM** — Former herd bull and sire of our present herd bull, Hickories Ransom 32nd.

## IS THIS A GOOD SALE IN WHICH TO BUY? . . .

Judge for yourself! This sale has been held nearly every year since 1945. During that period a total of 124 breeders from sixteen different states have bought. Study this list. Note that critical judges have done most of the buying. These men know good cattle and they recognize strong pedigrees. This is a good place to buy ... and our former patrons will tell you so!

HICKORIES ARMORY — This senior yearling son of Millhills Faddist has much to recommend him. One of his full brothers sold in the 1952 Iowa Royal sale at \$2,450 to Vernon Burr & Sons, Lone Tree, Iowa. Another full brother was sold privately by The Hickories for \$1,000 at six months of age. This bull is an even dark roan. He is ready for heavy service and we believe him to be the best bull we have yet offered in any of the auction sales held at The Hickories.

HICKORIES STATESMAN — Here is a red son of our junior stock bull Marellbar Attention by the noted Cruggleton Allardice. He was good enough to stand second in the junior bull calf class at the 1953 Wisconsin State Fair and he has developed nicely during the past year. He is very short legged and thick. Elcona Farms bought a heifer out of the same dam at a price near the top of one of our former sales.

HICKORIES ROSEMARY 9th — We like this heifer and her pedigree is certainly strong. She is a coming two-year-old daughter of Millhills Faddist. Her dam, a daughter of the noted Cruggleton Achtoi, produced the bull Hickories Ransom 9th that won the reserve championship at the International Congress and that made a great record in the herd at Sutherland Farms in Kentucky. He in turn sired the famous steer Sutherland All Steak, champion Short-horn steer at the International. Her dam also produced a top selling female at the Blue Grass Futurity that was purchased by Alabama Polytechnic College. Hickories Rosemary 9th is in calf since December 12 to Leveldale Crest.

HICKORIES AUGUSTA BRAE 24th — We have never offered a better heifer and she comes from the strongest family in our herd. She is a two-year-old, red daughter of Millhills Faddist, her dam is by Royal Ransom and her grandam is a direct daughter of Edellyn Royal Leader. Her dam is a full sister to Hickories Ransom 32nd, our famous herd bull that won the grand championship at the 1950 Wisconsin State Fair. Her dam is also a full sister to a bull that brought \$1,000 in the 1952 International sale. It would be difficult to write a stronger pedigree, she is a heifer of exceptional type and quality, and she is in calf since November 23 to Leveledale Crest. We recommend her very highly.

Kair Nonpareil Ruby (290990)  
Red, G. J. C. Anderson

DAN-JEAN NONPAREIL RONDA - We should keep her but since we have her dam, her granddam and her full sister, we have agreed to part with this very showy, royally bred heifer. She is a daughter of our imported herd bull, Saltoun Treasure by Chapelton Royalist, her dam is by Beaufort Bolido and her granddam is by Bapton Commando. Where can you find better breeding? She is young but we are certain the man who buys her will never be sorry.

Here are three more outstanding imported females that are permanent members of the Dan-Jean herd owned by Stanley Loper. From left to right they are: Pittodrie Rothes Rosina, Pittodrie Rothes Rita and Drynie Countess Farewell 10th. The last named is a daughter of Saltoun Jolly Tar and she is the dam of Lot 39 in this sale.

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. 4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's disease of the state or country into which they may be shipped.
